Welcome to Fal River Health Center

Fal River Health Center is an integrative medical practice dedicated to providing comprehensive healthcare and education. Many questions can be answered by visiting our website at www.falriverhealthcenter.com

We are a consultative practice and function as an out-of-network provider. Therefore, we are unable to bill insurance for your office visit. You will be given documentation necessary for reimbursement through an HSA account or the out-of-network provision in your insurance contract. Payment for the office visit will be due in full at the time of the appointment.

Kindly provide us with the following information prior to or at the time of your first visit:

- A fully completed Patient Intake Form.
- A list of your current medications and supplements.
- Pertinent medical records if necessary.

Please arrive 15 minutes in advance of your appointment time to register as a new patient. As a courtesy, we will call to confirm your appointment one week in advance.

Cancellation Policy

“Time and health are two precious assets that we don't recognize and appreciate until they have been depleted.” Denis Waitley

If you cannot, or choose not to keep a routine appointment, we kindly ask for a 24-hour cancellation notice. A 48-hour notice is requested for an initial consultation. If a cancellation is not made, you will be charged 50% of the first missed appointment fee. For any subsequent missed appointments, you will be charged the full amount for the time reserved. We do understand that there are extenuating circumstances and a simple phone call is requested to avoid these charges.

We look forward to meeting you!
